

Rams2Gather is now called Rams Reaching Out. This is a day in the Spring, in which every St. Agnes student is involved in a community service project with his/her class. The students reach out to show that they can make a difference in the lives of others. It is about teaching our children to be of service and follow in the steps of Jesus Christ.

We need parent volunteers to help organize class projects, which will need to be approved before December 1, 2011. The approval date has moved up to allow time to raise money for those classes that may need it to fund their projects.

This entire project is dependent on the dedicated St. Agnes parents and all of you are invited to join the Rams Reaching Out planning committee.

****There will be an informal, informational meeting held during a *Family Happy Hour* on Friday, September 30th from 5:00 to 7:00 p.m.** Bring your kids to the home of Vice Principal, Mo Orpin. We'll meet on the back patio to learn about this great project while the kids play in the yard. Directions can be found on the back of this sheet (It's just a block away!). **Hot dogs, chips, and drinks will be provided; you just bring your kids, ideas, and an appetizer, if you'd like! Please come and hear about this great new program that was introduced last year.**

We'd love to have the new families join us for this great opportunity to get involved at your child's school in a capacity that you choose.

As always, thank you. St. Agnes has the BEST parents!!!
