

Last year you helped raise \$275,000 for improvements and tuition assistance for St. Agnes School. This year's funds will help buy computers for our lab, to purchase classroom supplies, to assist with continuing education for teachers and staff and to continue to support various school improvements. Enjoy a fun evening with all of your friends, the ones you know and the ones you're likely to meet. Browse and bid on an incredible range of merchandise. Champagne will be served prior to the start of the live auction. What a great way to support St. Agnes!
