

Classroom News

February 12, 2010

Dear Parents,

This week students participated in Body Venture. They explored the organs in the body and how to stay healthy by Eating Smart and Playing Hard. There is no school next week on Monday or Friday. If you are attending conferences please make sure you know the time you are scheduled for February 22. If you are unsure please let me know. Have a Happy Valentine's Day and enjoy your long weekend.

Upcoming Events . . .

Math

We are reviewing number sense concepts and working on place value. Please continue to have your child practice telling time at home.

Reading

We will be reading Me on a Map. I will be incorporating map skills into this week's story.

Language Arts

Students will be starting to publish stories they have written and share them with the class.

Science

In science we will continue to learn about weather.

Thank you,

Mrs. Eichholz and Sister Ann Everett
