KINDERGARTEN & NEW STUDENT

PARENTS PLEASE NOTE!

The orange "*Emergency Information & Medical Treatment Consent*" form is extremely important. We refer to this information daily and it is imperative that the information be complete and current.

The yellow "*Medical Record For All Children In Child Care Facilities*" is a standard form required annually by the Kansas Department of Health & Environment (KDHE) through kindergarten. The "*Child Health Assessment*" on the back of the yellow form must be completed and signed by a doctor. If your child had a physical in the last year, send the forms to your physician with a self addressed stamped envelope ASAP. They are usually very prompt in returning this information. Do NOT wait until the last minute to schedule a physical if it is needed. June will be too late to get a timely appointment.

The green "*Kansas Certificate of Immunization*" must be completed and signed by a doctor. A nurse can complete the form with either a copy of the office record [Vaccine Administration Record] or immunization card from the state.

The blue "*Medication Authorization*" form must be signed by a parent for over-the-counter medicines to be provided. Please list any prescription medicine in the space provided at the bottom of the page.

A bright yellow "*School Dental Health Card*" is included for you to complete at your next visit to the dentist. All children must have documentation of dental care. The "*See To Learn*" brochure is attached which describes the importance of screening your Kindergartner by an Optometrist or Ophthalmologist. Although the vision screening at the family physician office is good, it does not provide as thorough eye exam as at the Optometrist or Ophthalmologist.

The yellow, green, blue & orange forms must be returned to the school office before your child can enter school next fall. These forms will be accepted anytime prior to the first day. Thank you for your cooperation with these necessary items.

WE ARE ASKING THAT ALL FORMS BE RETURNED BY MAY 1ST.

NO STUDENT WILL BE ALLOWED TO ENTER THE CLASSROOM UNTIL ALL COMPLETED FORMS ARE RETURNED TO THE OFFICE
