RETURNING STUDENT PARENTS PLEASE NOTE!

The orange "*Emergency Information & Medical Treatment Consent*" form is extremely important. We refer to this information daily and it is imperative that the information be complete and current.

The blue form of your child's "*Health History & Permit to Release Information*" on one side & the "*Medication Authorization*" on the other must be returned to the school office ***before*** your child enters school next fall. The "*Medication Authorization*" form must be signed by a parent for any over-the-counter medicines to be provided.

A yellow dental card is included only if there is no record of dental care in your child's file. Complete the "*School Dental Health Card*" at your next visit to the dentist. All children must have documentation of dental care.

Thank you for your cooperation and completion of these necessary items. Forms must be returned anytime prior to the first day to the office before your child can enter school in the fall and will be accepted .

NO STUDENT WILL BE ALLOWED TO ENTER THE CLASSROOM UNTIL ALL FORMS ARE COMPLETED AND RETURNED TO THE OFFICE
